ZIGGURAT E4

E4

[click for larger view](#)

Extra-heavy duty non-directional rock service design.

Exceptional off-road traction. Extra deep tread design provides long service life and exceptional resistance to impacts and cuts. Designed for reduced slippage in adverse conditions. Excellent tread cleaning design.

Available in a deep tread non-directional pattern with flat, wide tread profile and dense tread rubber at the center to provide excellent wear on abrasive surfaces. Minimizes punctures by foreign objects.
